

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

BERHANU D. BEYENE,

Plaintiff,

v.

CARYOLYN W. COLVIN Acting  
Commissioner of Social Security,

Defendant.

Case No. C12-1835-RAJ-BAT

**REPORT AND  
RECOMMENDATION**

Berhanu D. Beyene seeks review of the denial of his Disability Insurance Benefits and Supplemental Security Income Benefits applications. Dkt. 3. The parties stipulate the case should be **REVERSED** and **REMANDED** for further administrative proceedings pursuant to sentence four of 42 U.S.C. § 405(g). Dkt. 22. On remand, plaintiff may submit additional evidence and arguments. The ALJ will

- Reconsider the medical source opinions in the record, provide the weight accorded to those opinions, and if rejecting any of the opinions, provide legally adequate reasons for doing so.
- Reconsider plaintiff's residual functional capacity; and if necessary, obtain supplemental vocational expert testimony, solicit plaintiff's testimony, and issue a new decision.

1 Aspects of the ALJ's prior decision not specifically addressed here are not affirmed.

2 Because the parties have stipulated the case be remanded as set forth above, the Court  
3 recommends United States District Judge Richard A. Jones immediately approve this Report and  
4 Recommendation and order the case **REVERSED** and **REMANDED** for further administrative  
5 proceedings. A proposed order accompanies this Report and Recommendation.

6 DATED this 10th day of April, 2013.
